

MISSOULA BONE & JOINT COLD THERAPY OPTIONS

Purchase:

Breg Polar Care Cube cold therapy units with custom pad are available for purchase at Missoula Bone and Joint. The cost for this unit with a custom pad is \$200.00. We request payment at time of service and we will send you a receipt with proper ICD-10 and CPT codes for your records and/or to submit to your insurance or flex plan. Please note, Medicare cannot be billed for cold therapy.

Rental:

A local vendor C&J medical provides a rental unit with pad and will bill the rental charges of this unit to all insurance companies that cover cold therapy, at a cost of \$125.00, which includes the unit and pad for 7 to 14 days. (extended rental approved upon request).

Medicare/Medicaid And Non Insured Rental Units:

C&J Medical is not a Medicare/Medicaid provider and charges for cold therapy will not be billed to Medicare or Medicaid. However, with their reasonable rental cost most patients still opt to use cold therapy unit. The rental fee for a unit/pad for up to 14 days is 125.00. They will send you a bill for this unit after surgery. Once you are finished with the unit it should be returned to Missoula Bone and Joint for C&J Medical to pick up.

Pads from a rental:

We suggest you keep your pad after you rent a unit. If you should need to rent a unit at a later date the pad could be used again.
